OUR CONTRIBUTION TO GREATER SUSTAINABILITY

Our Glassware

- Sustainable product – very durable and, when properly cared for, is reusable for many years.
- Our crystal glass meets all relevant legislation and is certified as safe for use with food and beverages.
- Crystal glass contains no Bisphenol A (BPA) and does not react with substances or materials it comes into contact with (unlike plastic, which can release Bisphenol A (BPA)).
- 100% recyclable.

Our Factories

- Implemented environmental certifications ISO 14001: 2015 and ISO 50001: 2018.
- The main raw materials, accounting for approximately 70% of the volume, are sourced from the local region, avoiding long transport distances, e.g., quartz sand from Hirschau, Germany.
- Offcuts generated during the production process are immediately reused, leading to up to 50% reduction in raw material requirements and a reduction in the energy required for glass melting.
- Energy-saving projects include: compressed air reduction, burner technology, energy-efficient drives, LED lighting, waste heat recovery, water-saving measures.

Our Packaging

- Our packaging is licensed with the „Grüner Punkt“ (Germany) or „Bonus Holzsystem“ (Austria).
- FSC® - Forest Stewardship Council applies to 45% of our packaging.
- Our packaging is recyclable.
- We only work with sustainably oriented suppliers.

Green Electricity

- We exclusively use green electricity in our company.
- This measure reduces CO2 by 11,000 tons annually.
- Additionally, we support the expansion of renewable energy and actively contribute to the protection of our environment.
- As a result, we have been able to reduce our carbon footprint by 30%.

Luxury every day, with fine Bavarian crystal

More than 190 years of experience, skill and tradition has gone into the creation of this high quality Nachtmann glassware.

Sparkling since 1834, we aim to bring a little luxury and brilliance to modern-day life.

Sparkling since 1834

Since Michael Nachtmann founded our company in 1834, we have steadily built our reputation as a specialist in crystal glassware. In 2004 we became the lifestyle brand of Riedel Glassworks, a family owned business with a proud 265 - year heritage.

In 2024 Nachtmann is celebrating its 190th birthday. At Nachtmann, our past shapes our present and our present shapes our future. From previous generations to the next generation, we respect craftsmanship and we relish creativity. From classics to cutting-edge, from special days to the everyday, we provide more than 190 years of crystal glassware fit for the occasion.

The best of Made in Germany

Respecting our past, we actively shape our future. With an artisan heritage stretching back 190 years, we are pioneering environmental technology at among one of Europe's most modern plants. Here, in the best German tradition, we combine craftsmanship with rigid quality control, new technology and a passion for perfection.

Reflecting our long established commitment to sustainability and environmentally friendly operations, we renewed our DIN ISO 14001 certification in 2010. This acknowledges our introduction of leading environmental management practices since 2001.

HOW TO DISTINGUISH A PERFECT GLASS

FINE AND LASER CUT RIM:

elegant look
smooth, lip contact
directs the flow of wine
less chipping

BOWL:

Colorless and transparent bowl
allows wines to express their
true visual characteristics

Perfect connection reduces breakage

Seamless or nearby seamless stems
provide a premium tactile experience

Enforced foot for improved durability

No sharp rims and a flat base improve
esthetics and stability

OUR COMMUNITY

Welcome to the world of Nachtmann - LUXURY EVERY DAY.

Our social media channels showcase our collection in all its variety, offering inspiration for every occasion. Discover trends, get inspired, and find the perfect glasses for your enjoyment. Join our community today!

CARE AND USE

IMPORTANT HINTS FOR GLAS USE

All around the world renowned restaurants use Nachtmann glasses and crystal ware for the setting table. In order to guarantee maximum

pleasure when tasting wine, it is important to consider the following professional hints, which we hope you will find of interest.

FOR A PERFECT RESULT

1. Wash under warm water, detergent is not necessary
2. Place on linen to dry for the time being
3. For extra shine, steam over boiling water
4. To polish use 2 microfibre polishing cloths
5. Hold Glas by base and polish
6. Use left hand to cradle the bowl and polish with your right hand
7. **NEVER** twist the base and bowl
8. Perfect result

BEVERAGES AND GLASSES

Rules when handling connoisseur glasses:

1. Filling the Glas

Fill the Glas only to the widest diameter of its bowl. This will ensure maximum development of the wine's bouquet, and also provide the most elegant table setting.

2. Holding the Glas

The appropriately filled Glas should always be held by the stem rather than the bowl, as heat from the hand could raise the wine's temperature above its optimum and negatively influence the bouquet of the wine.

3. Swirling the Glas

Carefully swirling the Glas allows oxygen into the wine by increasing its surface area and helps release the wine's rich, mature aroma.

4. Why and how to decant wines

To decant wine means to transfer it from its bottle to a DEKANTER or Karaffe before drinking. During storage or aging, wine can develop a solid deposit or sediment at the bottom of the bottle. Decanting is an easy means of separating

the sediment from the wine. Decanting also helps the wine breathe, as the greater surface diameter of the DEKANTER lets more oxygen reach the wine than the bottle's does. Red wines should be decanted well before serving and allowed to rest at room temperature for up to one hour to allow the wine to fully develop its bouquet.

5. Wine temperature

Before decanting and/or serving wine, please store it at appropriate temperature (red wines at 59-63 degrees F, 15°-17° C, white wines at 50-54 degrees F, 10°-12° C). The proper serving temperature enhances the quality of the wine by allowing it to fully develop its characteristic aromas and flavors.

6. Washing the Glas

Glasses should always be washed carefully, preferably by hand. Nachtmann glasses are 100% dishwasher safe, but they are best cared for by avoiding harsh detergents and choosing a cool, short dishwashing cycle. To avoid detergent residue, rinse glasses thoroughly in clean water. When drying the bowl of the Glas, avoid holding the Glas by its stem or base as this can, in extreme cases, cause the stem to break at its narrowest point.

SIZE CHART - PACKAGING

All items are packed in orange, white or brown standard cartons.

GENERAL TERMS CONDITIONS OF SALE

EFFECTIVE AS OF MARCH 01, 2025, PAGE 3/3

BAYERISCHE GLASWERKE GMBH,

ZACHARIAS-FRANK-STR. 7, 92660 NEUSTADT/WN, GERMANY

de dress and Products incorporated therein or associated therewith, shall remain the sole and exclusive property of BGW and/or its licensors.

11.7. Any and all materials provided by BGW to the Customer such as catalogues, brochures, packaging, illustrations, photos, videos, and the like as well as samples and designs always remain the intellectual property of BGW or BGW's licensors, protected by the relevant statutory provisions regarding reproduction, imitation, competition, etc. Customer undertakes not to make any such material and documents available to third parties, either in whole or in part, without the prior written authorization of BGW or to use them for any purpose apart from the purpose for which they were handed over to Customer.

In case an authorization is granted allowing Customer to make such material and documents available to third parties, Customer shall be obliged to impose all obligations arising out of the T&C that are relevant to such material and documents upon such third party. Customer remains liable to BGW for any acts or omissions of such third party, and Customer shall hold BGW harmless from any and all claims and expenses (including reasonable attorney's fees) arising out of or related to any such acts or omissions. If no Order is placed and/or upon request of BGW, Customer must return all material and documents provided by BGW.

11.8. Any use of the Brands, the Trademarks or of any intellectual property rights of BGW or of BGW's licensors as e-mail address or domain name or on social media platforms such as Facebook, X, Instagram, TikTok etc. or any setting up of a "Riedel", "Spiegelau" or "Nachtmann" account on any social media platforms shall only be permitted upon BGW's explicit prior written approval.

12. Retention of Title.

12.1. Products and samples supplied by BGW shall remain the property of BGW ("Reserved Goods") until full payment (including any interest) of all present and future claims and demands of BGW under the purchase contract and an existing business relationship (including current account balance claims). The Customer is obliged to treat the Reserved Goods with care. The Customer is obliged to store the Reserved Goods properly and to insure them at its own expense against theft, water, fire, transport and other damage.

12.2. The Customer may sell the Reserved Goods subject to retention of title in the ordinary course of business in compliance with the provisions of the T&C, provided that Customer is not in default of payment. The Customer may not encumber, pledge or transfer by way of security the Reserved Goods.

12.3. The Customer may remodel or process the Reserved Goods in the normal course of business. The remodelling or processing of the Reserved Goods shall always be carried out on behalf of BGW. If the Reserved Goods are processed together with other items that are not the property of BGW, BGW shall acquire co-ownership of the new product in the ratio of the invoice value of the Reserved Goods (invoice amount plus VAT) to the other items that are processed.

12.4. The Customer hereby assigns to BGW all claims it has against its own customers from the sale of the Reserved Goods, as well as claims relating to the Reserved Goods that arise against its own customers or third parties on other legal grounds, including any current account balance claims. BGW hereby accepts this assignment. In cases in which BGW has only acquired co-ownership of a new product pursuant to Clause 12.3, the Customer shall only assign the claim in part, namely in the ratio of the value of the Reserved Goods to the value of the new product.

12.5. The Customer may collect a claim assigned to BGW as long as BGW does not revoke this authorisation. BGW's right to collect such claims itself shall not be affected thereby; however, BGW shall neither assert nor collect the claims itself and shall not revoke the direct debit authorisation as long as the Customer duly meets its payment obligations. The Customer may also not assign any receivables in order to have them collected by means of factoring unless the Customer irrevocably obliges the factor to provide the consideration directly to BGW for as long as BGW has out-standing receivables from the Customer.

12.6. In the event of seizure of the Reserved Goods by third parties or other interventions by third parties, the Customer must draw attention to BGW's ownership and notify BGW immediately in writing so that BGW can enforce its ownership rights. If the third party is unable to reimburse BGW for the judicial or extrajudicial costs incurred by BGW in this connection, the Customer shall be liable for such costs.

12.7. In the event that the Customer acts in breach of contract, in particular in the event of default in payment, BGW may demand that the Customer informs BGW of the assigned claims and the respective debtors, notifies the respective debtors of the assignment and hands over to BGW all documents and records and provides at its own expense all information required by BGW to assert the claims.

12.8. In the event of behaviour by the Customer in breach of contract, in particular in the event of default in payment, BGW shall be entitled to take back the Reserved Goods after setting a reasonable deadline for performance. The Customer shall bear the costs incurred in taking back the Reserved Goods. If BGW takes back the Reserved Goods, this shall be deemed a cancellation of the contract. BGW has the right to dispose of the Reserved Goods. The proceeds from such disposal shall be set off against any amounts owed by the Customer to BGW after deduction of reasonable costs of such disposal.

12.9. Should the value of the assigned claims or other securities exceed the claims of BGW to be secured by more than 10 %, BGW shall have the right to dispose of the assigned claims to this extent. However, BGW is authorised to select the securities to be released.

13. Setoff and Assignment.

13.1. Customer can only set off against BGW's claims for payment of the purchase price where Customer's claim proposed for setoff has been legally established by final judgement or is undisputed.

13.2. BGW is entitled to assign its claims against Customer to a factoring company for financing purposes.

14. Data Protection and Storage, Advertising.

BGW shall store and process personal information obtained from the Customer in compliance with applicable privacy laws. Unless the Customer requests otherwise in writing (including through any opt-out mechanism provided by BGW), the Customer agrees that such personal information may be used by BGW for marketing purposes. For clarity, this right survives termination or expiry of the contract of sale.

15. Severability.

If any provision of the T&C is wholly or partially void or unenforceable, that

provision shall be severed from the T&C to the extent that it is void or unenforceable and the validity of the remaining provisions shall not be affected. The Parties shall agree on a new effective provision which comes as close as possible to the economic purpose of the void or ineffective provision without delay.

16. Choice of Law and Jurisdiction.

16.1. The T&C and the contractual relations with Customer including its pre- and post-contractual phases and effects shall be governed by and shall be interpreted in accordance with German law, excluding its conflict of law rules, and excluding those provisions of private international law which would lead to the application of another legal system, and excluding the provisions of the UN Sales Law (CISG - United Nations Convention on Contracts for the International Sale of Goods).

16.2. Munich, Germany, shall have exclusive jurisdiction for any disputes arising out of the contract concluded with Customer or the T&Cs underlying the contract, including the pre- and post-contractual phases and effects. However, BGW is free to sue at Customer's registered office. Mandatory statutory provisions, in particular with regard to the exclusive place of jurisdiction, shall remain unaffected.

17. Miscellaneous.

17.1. For the purpose of the T&C, "business days" shall mean those days on which banks are open for general business in Bavaria, Germany.

17.2. A notice, consent or communication under the T&C is only effective if it is in writing, signed or on behalf of the party giving it, and if it is received in full and legible form at the address or e-mail address notified by the addressee to the other party from time to time.

17.3. No waiver of a right or remedy under the T&C is effective unless it is in writing and signed by the party granting it. It is only effective in the specific instance and for the specific purpose for which it is granted. A single partial exercise of a right or remedy under the T&C does not prevent a further exercise of that or any other right or remedy. Failure or delay to exercise a right or remedy does not operate as a waiver or prevent further exercise of that or any other right or remedy.

17.4. A reference in the T&C to a financial year is a reference to each 12-month period commencing 1 July and ending 30 June.

17.5. Unless otherwise stated, a party may exercise any rights under the T&C in its own discretion.

Annex 3.1:

1) Groups of resellers which BGW has reserved for itself or assigned exclusively to third-party dealers:

[None]

2) Territories which BGW has reserved for itself or assigned exclusively to third party distributors:
